A member of our German Department who is currently on leave in Germany will be re-joining our staff in September. He would like to sub-let an apartment or small house, furnished or unfurnished (with a minimum of kitchen, bathroom, living room and two bedrooms) for a term beginning September 1, 1971. He has one child (a year old) and does not wish to spend over $200.00 a month. An apartment or house in Boston or the vicinity is desired.

For further details and information, please contact the Personnel Office, Thomas Franklin, X278 or 293.

Do you have a position that is going to be down-graded when the present incumbent leaves?

If so, contact the Personnel Office for advice on how to maintain the grade at its present level.

Due to the State's austerity policy it is imperative that justification for upholding a grade be made before a position is vacated.

Patriot's Day is April 19, 1971.

There will be no classes or scheduled work on that day.

An employee who is absent without leave or on leave of absence without pay on any part of his scheduled work day immediately preceding (Friday, April 16) or immediately following (Tuesday, April 20) will not be paid for the holiday.

May of the inmates at Norfolk Prison Colony are taking college courses preparing for their future upon release. They would appreciate books of all kinds particularly freshmen texts, novels, Black history and experience. All donations can be left at Room 429, Sawyer Building.

INDIVIDUAL RESPONSIBILITY FOR SECURITY

Unfortunately, our current situation provides little security from thievery of articles left exposed.
All Faculty and Staff members must assume the responsibility for their own personal wallets and purses.
Wallets and purses should be carried wherever the owners go. Other valuables should be locked up, both during and after regular hours, whenever the room or office is unoccupied.

It takes a thief only ten (10) seconds to pilfer an office while you are out for "only one minute".

In the recent past, wallets, purses and equipment have been stolen by individuals who walk through the buildings looking for unlocked and unattended offices.

Whenever you see suspicious individuals loitering or lurking around the corridors, call the security guard in your building or in the case of the Salada, Avis or Hale Buildings, call the guard at the Main Building. The guard will then make an investigation.
