FACULTY  
CONSTITUTION

The Faculty Constitution proposed by the ad hoc Committee on Faculty Organization was adopted at the Meeting of February 3 and February 8, 1966.

## STUDENT COUNT

All faculty members are requested to take a count of students attending each section, and to present the count to the Area Chairman by Friday, February 11, 1966.

## COURSE CARDS

Faculty members may find that they have in their possession course cards for some students who have not returned for second semester courses. Please destroy such course cards.

If course cards are needed for students in your sections for whom you have none, you may obtain blank course cards from your Area Chairman.

## LOUNGE

Faculty members are invited to make use of the Lounge which has been established in Room 1323. Professor Tanimoto, appointed chairman of the ad hoc Committee to provide an informal gathering place for faculty, has arranged to have coffee available in the room.

TEXT  
REQUIREMENTS

The Bookstore requests faculty to provide a list of courses and text requirements for 1966-67 by April 1, 1966. This information is required by that date because of deadlines for returning for credit books to publishers which will not be required next year.
