CONVOCATION

I am taking this means of expressing my gratitude to all members of the faculty and staff for their support and contribution in making the Founding Convocation a success. It was made a more important occasion for me because of the enthusiasm and active participation of all of you. Our special thanks must go to the Planning Committee and those who assisted the members of that committee in the many details necessary before the day and during the program.

At its meeting of December 13, 1966, the Board of Trustees formally voted commendation to the faculty and students of the University of Massachusetts in Boston for the excellence of the Founding Convocation program. I am proud of this commendation from the Board of Trustees, and I am pleased to give the credit to you, the members of the faculty and staff, for making it possible. John W. Ryan
