Tears to Dreams

The tears that fall down your face
The anger that rises
All the hate contained
All the happiness that has gone

The times where suicide is an option
Times where murder is an idea
Yet you stay down
With no choice
But to get beat

The actions that violence is a part of
Drugs that are used to escape this world
Murder that has happen out of anger and stupidity
Guns that are created, created just for power

But is there anything to stop this
No there is not
The love that is hidden behind our eyes
The violence that has blinded people
From seeing the truth
That love is the answer

Here you are on the ground bleeding
Yet you don't give up because of your dreams
A dream in which people would take a bullet for another
A dream where love is everywhere and violence is nowhere

A dream in which people will stand up for another no matter the cost
But here you are on the ground crying
No friends around to stand up for you
The nights where you cry yourself to sleep
The sun that rises is just another signal for a beating
