Do the Write Thing

The Damage of Violence

I want to have a heart to heart  
About something, that tears our world  
Apart

Such a dangerous term  
That needs to be dealt with very firmly  
There are so many different  
Forms

It hits our lives like terrifying storms  
Can kill you, and even make you  
Want to hide  
And lately has caused many youth to commit

Suicide  
Youth violence is a disease  
That is taking over our communities and will not cease

Young killing young for nothing at all  
They should be at the court with friends  
Playing ball

Kids hiding in their houses living a life of fear  
And it gets worse each and every year  
Bullying is at an all-time high  
And the number one cause of suicide,  
Ending a life with no  
Good-byes
