Violence has affected my life because Five had relatives that had died because of the violence that has occurred by the youth because them had been pressured into the Killings. Also, my mother would not allow me to go to a local park because that do a place where there are many drive bye's and shootings Over a 1055 on a baskethall game. Which shows that shootings can account your personal and social lives. Becomby there are many Causes of youth violents such as peer pressure, it's whom a friend or relative draws you in or strongly persuades you to do a negative action which can potentially get you into trouble. Next, living in a dangerous environment or house hold can cause you to physically or mentally hurt people; when I mean physically to me it means to abuse somebody with your fist. Also, when you mentally hurt people is by bullying and husting somebodys feelings by talking about their personal life or the way they look and even how they dress. In Conclusion, When skys are blue some people change, however when it is dock outside people follow. Which shows that Violence is hoted nobody cases for it which is why it is not appreciated.
