## Violence Page

People should not choose violence because violence doesn't solve anything at all! Violence can just lead to more problems, and if you mess with the wrong person there can be some major problems. I'll give you 3 different reasons on how violence is bad and how you can stop it.

#1 if someone gets you mad, just talk to someone don't hurt them. #2 if you are having a bad day, don't take it out on someone else. #3 do things that make you happy.
