## Bullying

Sally walked  
People talked  
About her grades in school.

She tries so hard  
But her mind was afar  
So that "makes her uncool".

She had a disease  
Which gave her all "D's"  
She couldn't get help from her tutor.

So all the kids laughed  
Which made Sally sad  
As no one knew she has a tumor.

Billy the bully  
Didn't think fully  
And pushed poor lil' Sally to the floor.

The kids laughed and hollered  
But no one bothered  
As she got kicked and punched some more

Sally cried home  
With a bruise and broken nose  
As her mother called the police

The police horn kept blaring  
Having all the kids fearing  
With 5yrs until release

But poor ol' Sally  
She still went home sadly  
With no money for her disease

Sally walked  
People still talked  
As she mumbled " Help me please!"
