Violence

Probation, felonies, lawsuits and Jail

based off of one single action

based off one stupid act

Youth today do drugs, party , get drunk, smoke

get into car crashes , go to treatment centers, go through depression

and if possible worst, and go too far

you never truly know the last goodbye

But alright, lets go back to the beginning

Violence is anger.

violence is influenced, jealousy , betrayal

Most importantly violence is a choice

based on 1 stupid act

could turn your life upside down

thinking now

is it worth it?

Now lets go back to the future

do you want to spend years in jail?

wipe away the tears and suffer

do you want to lose your freedom

living solemn, and finally seeing your mistakes?
