"Non-violence Is the Key to Faith"

Its like a war zone, shots firing,  
people dieing, Mothers crying, police flying,  
red tape, dont go outside because it isn't  
safe, lit candles, teddy bears, Something  
isnt right, violence is a wildfire but with  
us together, it could end, we should get  
together as one and be friends, violence  
is not more efficient than non-violence,  
Non-violence is the key to faith, no  
matter where we are from or no matter  
the race we should love each other and  
never have hate, we all join as a whole  
its worth trying, its a better way of  
thinking, so stop the violence!
