The Life of the Youth

Every day you hear gun shots and police sirens.

You wonder if you are going to be safe with the violence.

Children of the world don't even have pride and confidence walking down the streets.

They wonder if they are going to get beat.

Even me, ask, why can't I have pride in myself?

Can't even go anywhere by myself.

My parents do this to protect me.

If I died, I will be gone and they will cry among ~~themselves~~ themselves.

With the drugs and guns, we are in a corrupted world.

Due to the life of loneliness

We all want to be a part of something and be loved.

With the broken family, they are not loved.

But they are, they just don't know it. The biggest thing, they forget, who

loves them the most is God.

No matter what we do, he still loves us!

Violence comes into your life.

But you can't dodge it

All you have to do, is, believe in God and make the right ~~choices~~ choices

I'm just a little girl, who is starting my journey of life.

I don't know what I will do with my life.

But I know one thing...

talk to the youth,

Why do they do this?

What causes them to do this?

AND

How does this make you a better person?

Life is Life

Air is Air

We all know the world is not fair

But, we all know, as one, we have faith and God.

Violence is not the answer

But people make it happen.

Let the ~~true~~ truth be heard,

we shall overcome violence,
and help the YOUTH!
