Youth Violence

Violence should be silenced
Hurting other people, it is truly evil
Some people don't care just, because they're not there
The cruel and sad times always seem to rhyme
I have witnessed the violence and never forgot since
It was very little but I still felt brittle
It is not care but it is unfair
They don't do it on purpose except they think its worth it
They might have problems at home its maybe a battlefield just like wars
in Rome
And maybe they got bullied before they wouldn't wanna ask for more
So they get depressed and violence is how they express
Though thats not helping at all, he or she will start a brawl
To help stop this madness, lets start cheering up the sadness
Try to help the victim
Dont try to trick them
Make them walk away without anything to say
You can also try to calm the bully
Be as convenient as a Pulley
Say why you like this way
They won't be mad or sad
Now we can stop this violence
Until its silenced
One by one till the day is done
