# Youth Violence

Violence is bad  
It makes me really sad.  
Youth Violence can start  
when someone gets mad.

Youth violence can start  
when someone gets a gun.  
They can make a mistake  
and end up shooting someone.

I want to stop youth violence  
and make it extinct.  
I will do whatever I can to make that happen.  
I will set up clubs or organizations  
and make sure we fix this situation.

It is everyone's responsibility  
to fix youth violence.  
It could help future generations  
and make a better nation.
