Violence Is Very Bad

I haven't been very affected by bullying or violence, but I know it is a very bad thing and it obviously can hurt many people. I know that it is tempting to laugh at but the kid getting bullied is getting hurt bad. Sometimes they can't deal with the bullies anymore that they commit acts of violence like the school shootings you've been hearing about, yeah those are victims of bullies. Sometimes to make matters worse they commit suicide. And you know what, Bullying hurts everyone. Never bully or you might end up working at a horrible job, being homeless or even in jail. Never bully, it is a very bad thing!
