# Success Boston College Completion Initiative

## Vision/Mission

**Vision:** All graduates of the Boston Public Schools will complete college.

**Mission:** We provide intensive coaching support and wraparound services to incoming Boston Public Schools (BPS) graduates through their critical first year and until their graduation from UMass Boston. Our coaches (from both UMass Boston and our nonprofit partners) work closely with students, offering activities that increase academic success and build community and engagement.

## Results/Impacts

2008 Cohort: 26%  
2009 Cohort: 36%  
2010 Cohort: 41%  
2011 Cohort: 42%

## Conclusion/Next Steps

- Implement an initiative to ensure BPS graduates entering the university have completed financial aid process and necessary documentation to be on track financially.
- Continue to review and introduce best practices based on the needs of participants in Success Boston Initiative to keep them on track towards their ultimate goal – a college degree.
