Do The Write Thing

Violence oh, Violence

Violence oh, violence

you affect me so

You hurt me

you scare me

and I don't want to go to school

Violence oh, violence

why do you do this

the only reason is that

people may feel insucre of themselves

and this makes them feel better

or even the games so violent and bloody

and their ideas come from those

Violence oh , violence

I think of what I can do

I could walk away and call it a day

or even get the teacher to make them go away
