Why Violence

They want revenge
It's nothing but a challenge,
To see who is the stronger person
If it's certain,
There should be a change
With all of this frustration and pain,
It traumatizes families
When they lose someone who they watched carefully,
Why have weapons, if you can be successful in life?
Why commit a crime when you can have children and a wife?
Life can be so much easier,
Only if you do what you can do to achieve here,
You don't need weapons to gain respect,
Be a leader and not the criminal's pet,
You're only hurting yourself,
When you kill someone
Your partner is the gun,
It makes you feel some type of way
When you notice you killed somebody
And you look at death in its face,
This message tells you to not partner up with the devil
Because doing the right thing takes you to another level
