On The street

walking Down the street
With Caution

Violence...
Violence...
Violence...

A guy gives you a mean
look like if he was going
to hurt you!

Violence...
Violence...

Then he asks you "where
are you from"

You take a deep breath
as you say no where in a
light voice

Violence...
Violence...
Violence...

Then you turn around and
start walking faster and faster
looking over your shoulder
over and over until you
feel that he is gone

Walking Down the street
With a companion

Violence...

And gives you a mean
look like it was going
to hurt you!

Violence...
Violence...

Then he asks you "What
are you from?"

You take a deep breath
as you say no words in a
light voice

Violence...
Violence...
Violence...

Then you turn around and
start walking faster and faster
looking over your shoulder
over and over until you
feel that he's gone
