# Terrorism

Once on the news, on the Boston Marathon Bombs were activated and some terrorist blew it up. My grandmother's friend got injured and my grandmother was gloom and she didn't talk a lot. My grandmother just sat on the couch all day. I tried to cheer her up by putting wavy thoughts in her mind. But it didn't work she still was sad. The terrorist were hiding from the cops. When they finally did get caught, my grandmother started to cheer up also. My grandmother's friend survived the bomb luckily. But she still had some broken bones left to be injured. She was happy, she didn't die.

I have been thinking about the  
 future of the company and how  
 we can grow and expand our  
 business. I think we should  
 focus on developing new  
 products and services that  
 will meet the needs of our  
 customers. We should also  
 invest in marketing and  
 sales to increase our  
 visibility and reach. I believe  
 that by doing these things,  
 we can achieve our long-term  
 goals and create a successful  
 future for the company.
