Violence In My Life

Police don't seem to care only the people understand,
How badly this situation is getting out of hand.

No one is safe we're not in the right town,
I'm light brown, they want us to go out like Mike Brown.

But what's done is done, Trayvon was beat down,
Mike Brown was shot six times and left on the ground,

They thought Garner was selling cigarettes
but that's no reason to grab him by his neck and choke him to his death

And that was only three people
Who's lives we're ended and none of us get sequels.

People die every day, not always for a reason,
Just someone we wronged who wanted to get even.

Sometimes we do things and don't think about the repercussions
We can get jumped or just go missing.
