Do the 'write' thing

~~Do the 'write' thing~~

Violence

its the wrong thing to do
people being rude
trying to act cool
acting like a fool

Bullies

they try to take
what's most at stake
your pride and dignity
they strive
to stop you from living your life
so you wont live happily

they try to create
all this hate
that will build up inside
it can make you cry
or you can fight
and give in to the things they say
but its not true
always be you

they try to hide
what's inside

maybe they were bullied too
maybe they cried
and turned to the other side
and started doing it to you

like using matches to ignite
the fire inside
forcing you to fight
you can swing
or "do the 'write' thing"
and walk into the light

fighting is bad
use your words instead
it obviously works
its Dr. Martin Luther King lead

but do not swear
show you care
even if you don't
and you will see
that you can feel
what you thing you won't

if you come home with a black eye
your mom sighs
knowing you got into a fight
why hurt the people you love

~~_____~~

just because
you got shoved

dont call people fake
there too much at stake
people will get mad
and they will retaliate

doesn't matter about the rep you lose
would you fight someone for wearing the wrong shoes
or the wrong clothes
so much they get surgery on their nose

if your against violence
you won't fall
just remember
love conquers all
