Do the Write Thing Essay, 2015

Violence

Violence has affected many people's lives including mine. Violence can affect you by harming you killing and stabbing such as my experience , violence has affected my life by arguing. One day my mom was having a dinner party for my birthday and my two aunts came over. So when everything was done my aunts was arguing. They was playing at first then they took it to far so then my mom said stop. I was kinda scared because it was hard for me to hear. Violence is not a useful and peaceful thing that was used in my experience .

Violence is a threat to somebody or to somebody's life. You can go to jail by threats . Violence is also fighting and arguing , violence is what people go through in their life times . Violence has many causes , including frustration . Violence in the home or neighborhood and a tendancy to see other people's actions . Violence is a strong and forceable action indoors by others .

The causes of youth violence is Gangs , kids being crazy , kids trying to be tuff , being something their not (showing off) bullying . Also substance abuse , weapons , broken homes , bad neighborhoods. The main important cause of youth violence is bullying . Such as forms of bullying , cyber bulling , physical bullying , inverbo bullying . When I say bullying I mean teasing or mocking or shoving and ordering people around .

There are many things I can do about youth violence . The main one is I can tell the teacher to make a program about youth violence . I can also tell everybody to be a bigger person and just walk away .You don't have to defend yourself all the time .
