Violence in Boston

Violence

Violence is something that goes around quickly and some people don't take it as seriously

People in my neighborhood take violence as a

funny game

they think if you are a danger to others

you will have a lot of fame

there would be a lot of stabbings, drugs, and shots and that leads to a lot of lives

getting lost

Violence is a problem because it causes physical and mental injuries and sometimes even death and that's everyone's fear to take their last breath

Boom, Boom, Bang caused people dying

Boom, Boom, Bang got people creating violence

Violence in Boston

Violence

Violence is something that

we should avoid

and some people don't

take it as seriously

as we should

take violence as a

very serious

matter that if you are

involved in it

you will have

lots of trouble

that will be difficult

to solve. People and things

that leads to this

is that

violence

is a problem

because it causes injuries

and mental issues and

sometimes even death and

that's why we have to

take it seriously

and

bring in some people

into

bring in some people

into

into

Violence

Violence is usually caused by
a little piece of
anger

It sometimes starts by
some rumors then
says alright
then the people start
a fight

When someone says
do you want
to fight

Just say no and
leave with
delight

Some people think that
playing with
with a gun
can be tons
of fun

but I disagree
But the most dangerous
people are the
ones who are
liars and think
they just had
acquire

Boom, Boom, Bang needs to stop

Victoria is really covered in
 a little bit of
 order
 The committee starts in
 some cases there
 says almost
 that the price start
 A fight
 when someone says
 do you want
 to fight
 just say no and
 leave them
 defeat
 some people think that
 playing with
 with a gun
 can be fun
 at the
 but I think
 First we must be
 people are the
 gun that are
 here and that
 they are not
 people

Everyone knows the
 story about the
 Boston marathon Bombing
 the one that caused
 3 people dying
 everywhere you looked its
 Ambulance Ringing
 and a woman in
 the corner is
 doing nothing but
 praying

The Bombing was definitely
 something to fear
 and while I stared at
 the tv I thought
 all of those familys
 nothing came out but
 a tear

this was something
 violent that was
 very odd, but at
 the end not alot of
 lives were lost
 and the only person
 to thank is
 god

Boom, Boom, Bang is something sad
 Boom, Boom, Bang is caused by being mad

I've been thinking about the
 past a lot lately. It seems like
 the more I think about it, the
 more I realize how much I've
 changed. It's hard to believe
 that I've come so far.

The things that I used to
 do seem so small now. I wish
 I could go back and see
 all of those people again.
 It's funny how time goes by
 so fast.

I've learned a lot from
 all of my experiences. I
 know that I'm stronger
 now than I was before. I
 hope that I can keep going
 and make the most of my
 life.

From your boy & girlfriend
 Love you both

Boom, Boom, Bang needs more than a cop
Violence

Some people say there
is no way for
Violence to stop

But I would stand up
and be more
than just a cop

Boom, Boom, Bang is all I hear
Boom, Boom, Bang is what I fear
Violence
