# Violence

Watching  
Hearing

Watching Police cars

Running up the street

And down the street

Police knocking on doors

Saying "have you seen this man"

Knocking down doors down

Hearing Police Siren's

Takeing many incant people

People running into ally ways

Parent's screaming "where's my kids"

Kid's saying where's my brother and sister

babies missing

bullet holes in house and cars

Blood everywhere go go

People on the News

Saying wow what a sense

it's just unbelievable

The cause of youth violence

is people saying I got a gun nothing you can do about it

who cares about the police

will think about this will you

Be saying I got a gun nothing you can

do about it and who cares about the police

While you in jail

You will be sitting in jail wishing you changed  
your life missing your family and kids and girlfriend/  
wife / boyfriend

What also cause youth violence is

People drinking beating on their wife / girlfriend / boyfriend

And kids especially their kids

Shouldn't be involve with violence

because violence has a huge part in their life

Kids can grow up and thinks it's okay to do it

to their girlfriend/wife / boyfriend / kids

What can i do about youth violence is

to speak up even if it's hard

because everybody word goes a long way

If I can do it you can too

Cause if you dont more innocent people

will die

more babies going missing

What else I can do about violence

IS to talk to anybody willing to listen

Also to protest against violence
