DO THE WRITE THING

~~XXXXXXXXXX~~

Bad people doing bad things

NO!

Good people choosing wrong ways

How i feel when i see

Drugs all over,passing over

Guns firing,people crying

putting each other down

i'm looking at the ground

seeing people picking the wrong road in life

this is what i see,i do understand

wrong from right

This is not what i want to be

i look on tv ,and see the newsfeeds

i've seen the temptation

is this what happens in this nation?

"they follow what they think is true

to demonstrate the power in the

actions they do"

they all try to give themselves a name

isn't this a shame

aren't they in school for education

having their "clicks" in school

telling her she dont belong

some others ask what's wrong

she hears the rumors
she ignores knowing shes got the humor
showing off their "strength"
slaming her to the door
she hit the floor

she goes home feeling the need
not to speak
she talks anyways, its hard to hold in the pain
as she cleans the scars
her mother thinks have these people gone insane

people should stop and think
NO MORE VIOLENCE!
after that i realize the silence

what she thinks to herself
before she steps out the door
should she go back and give into it once more

what do i think?
what can i do?
just state my claim, and reasoning
and hope you get it to
