Violence:

All kinds of violence is ruff.
it makes us restless with grief,
it takes away beloved life.

Domestic violence as a whole is ban
Stop the abuse of women and children
It is a crime and evil to commit this as a human

This world gone wild right after the invention of gun
I don't think this is civilization on the run
countries fighting open war one by one.

created new ideas of colonization
widely spreads up genocides and destruction
all this trouble is a gross of violation

Racism and hatred is violence
that disturbs stability and peace.
Brothers and sisters don't give space for those.

Let's start to explore new ideas for equality
Let's stand together for peace and unity
Let's shine happens on every community.

Violence

All kinds of things are out there
to make us feel as if we are
in a war, a struggle for life.

Domestic violence is a wife, a son,
a daughter, a brother, a sister,
a friend, a neighbor, a stranger.

This world is full of violence, the invention of our
hands, the invention of our minds,
the invention of our hearts.

Violence is a disease of the soul,
it is a disease of the mind,
it is a disease of the heart.

Violence is a disease of the soul,
it is a disease of the mind,
it is a disease of the heart.

Violence is a disease of the soul,
it is a disease of the mind,
it is a disease of the heart.
