Violence

Violence is in the world
In many way, shapes, and forms
It affects everyone around
Of all age and color

Violence is a scary thing
That people try to avoid
Although that is almost impossible
As violence just finds you

Violence is caused from many things
Even violence causes violence
Although violence can not stop violence
It only adds more fuel to the fire

Many people try to stop it
As though they do not know
That violence is everywhere
Ready to kill everything in its path

Bullying is a type of youth violence
It can be powerful words
Or it can be physical harm
No matter what though, they are painful

It attacks the body from inside and out
It stays hidden until it reveals itself
At its peak of darkness
As it manifests your body

The way to stop bullying is to find the cause
Find the source of it
The reason why it is all happening
So that everyone is on the same page

It sounds much easier than it is

~~Abraham Segun~~

People would think that if that was it they could do it
But no, thats not how it works
It is complicated and hard to do
And no one pays too much attention to it

My friend Reishaun was killed
He was in a gang
He was killed and shot multiple times
But he will always be remembered

There are a few ways to help stop youth violence
One way is to help make more community centres
Places where they can play sports
Or hang out with each other
