Center for Rebuilding Sustainable Communities after Disasters

Partnerships in Teaching and Research

Partnership Strategies

CRSCAD cultivates alliances with local, national, and international agencies, government and academic institutions, NGOs, and for-profit and not-for-profit bodies which share common interests in the area of post-disaster reconstruction globally.

Outcomes in Post-Disaster Rebuilding

CRSCAD assists local, national, and international agencies as well as the victims of disasters to develop practical, sustainable, and long-term solutions to the social, economic, and environmental consequences of disasters.

Conferences and Workshops

CRSCAD's hosts international conferences and workshops at UMass Boston to provide a space for partners to network, exchange ideas, and share best practices. Our partners then disseminate this information to their networks.
