Fire Drills

Preparations are being speeded to hold fire drills in the classroom buildings of the University as soon as possible. In the interim, faculty members are urged to read the posted fire evacuation instructions. Each instructor is responsible for the safe evacuation of his class in case of fire or other emergency.

Instructors are to accompany their students out of the buildings and insure that they do not block exits and side walks. More detailed instructions soon.

Bulletin Deadline

Anyone wishing to submit items for inclusion in the weekly bulletin may send the information, in writing, to the Office of the Chancellor by 5:00 P.M. every Wednesday.

AAUP

The first general meeting of the UMB Chapter of the AAUP will be a social hour welcoming new members of the faculty, at 4:30 p.m., on Oct. 3, 1968, in the 12th Floor Conference Room, Building #1.

Add/Drop Period Extended

Because of complications resulting from reorganization of the Registrar's Office, the Add/Drop period is extended to 5:00 P.M. on Wednesday, October 2. Until then, students may add or drop a course without record.

Reduction of Federal Funds

Severe reductions in Federal research grant funds may seriously effect the University's ability to offer Faculty Research Grants or Faculty Summer Growth Grants. Final figures will not be available until January 1 at the earliest.
