How can you escape the life of violence? or prevent it to enter your life. These are questions people cannot seem to answer. Even if they do have the answer, ^{why do} people open the door when violence is knocking?

Violence is everywhere but it's up to you to be apart of it or not

Or to be the agressor or the the victom. you are still failed to avoid violence. Be an influence in someones life because everyone needs a push to keep going. Or if you havn't finished highschool or college, go back and complete it to keep you busy because education is key to violence

How can you escape the life of violence or keep it from entering your life. Easy, just walk away when violence is knocking at your door. Some people actually know the answer to this but still get involved in violence. That's why you have to be not just careful about the area you are in. But the people that you also associate with.
