Smart

Youth are made fun of because of their intelligence
All because of arrogance
Nerd, geek, and teachers pet are that they're called
Bullied for being smart
Nobody likes you until you become big
Wealthy and powerful is what you are
for being the smartest of them all
Others fail to be strong
and fall to the peer pressure
they want to be cool and bullied no more
forced to do unspeakable things
this could all end
with the help of others
giving back
to help each other
and end the violence
Do the Right Thing
