Bullying

Sally walked
People talked
About her grades in school.

She tries so hard
But her mind was afar
So that "makes her uncool".

She had a disease
Which gave her all "D's"
She couldn't get help from her tutor.

So all the kids laughed
Which made Sally sad
As no one knew she has a tumor.

Billy the bully
Didn't think fully
And pushed poor lil' Sally to the floor.

The kids laughed and hollered
But no one bothered
As she got kicked and punched some more

Sally cried home
With a bruise and broken nose
As her mother called the police

The police horn kept blaring
Having all the kids fearing
With 5yrs until release

But poor ol' Sally
She still went home sadly
With no money for her disease

Sally walked
People still talked
As she mumbled " Help me please!"
