"Non-violence Is the Key to Faith"

Its like a war zone, shots firing,
people dieing, Mothers crying, police flying,
red tape, dont go outside because it isnt
safe, lit candles, teddy bears, Something
isnt right, violence is a wildfire but with
us together, it could end, we should get
together as one and be friends, violence
is not more efficient than non-violence,
Non-violence is the key to faith, no
matter where we are from or no matter
the race we should love each other and
never have hate, we all join as a whole
its worth trying, its a better way of
thinking, so stop the violence!
