Dont Be That Person [REDACTED]

A free style Poem

Dont be that person to get caught with a gun
just because he thought it was fun

Dont be that person to hurt the people around you
because then BOO!!!

you might get hurt too

Be the person to tell an adult

when you know your friend has a gun.

Dont Be the person to just stand by and
watch a person get beat up

Be the person to do something about it

When you see violence do just let it happen

because you could be next

all you have to do is send a simple text
ask for help

if you do as your told

and dont be that person

then violence will finally get old

if you stand around you are no better

than the person causing the violence because
you give them a chance to hurt more people,

Violence affected me but seeing
people I love and care about get hurt
emotionally and physically and it hurt you bad
and you dont want to go threus

that type of pain. So when ever and
where ever you see violence
