Questions

Hatred caused by violence.

Violence has people bubbling with hate.

Just like a witches' brew.

Violence can come into any person's life.

Fist fights.

Gun violence.

Physical bullying.

In this world it can happen anywhere anytime.

But why does violence happen?

Does it happen through revenge?

Is it a person's obligation?

Is it that person's idea of living a good life?

Jealously?

Maybe it is simply because that person had a bad life.

No one really knows why.

Even though the causes are a mystery,

We still have the power to stop violence.

We can do many things.

Ignore bullies.

Stop revenge.

Even just walk away from the problem.

If the way to a happier earth is this easy,

Then why does it not come fast enough?

That is my real question.
