The Boy Who Got Bullied

A Fictional Story

There was a boy at school who got repeated bully. One morning he told his family he wants to stay home and they said you have to go to school. He made excuses to stay home but they didn't work. He kept saying he needs to go to the doctor to help with his headache. Little did they know it made him go over the limits. He went to school and Chris the bully come over here you son of a(female dog)! Henry said "stop bullying me, what do you want?" I want to make your life in ruins says Chris. He punches him and throws him under the bus. He said please get me out. Chris says no, he was joking or thinks he is and then the bus went over him. He managed to stay alive and is in the hospital now. He says dude, why did you have to do this to me. You always bullied me ever since we were 1. Why did you changed and stabbed me in the back? All my organs are crushed, bones broken, I am going to die Chris. No, no you're not! I am sorry bro that I did this to you. I thought you were playing but now I over did it, didn't I? I'm sorry Henry...before I die I just wanted to say you were my best friend. Chris don't bully anymore. Ok dude Chris says. 1 year later Henry got out of the hospital and Chris just committed suicide. He was so sorry for doing that he wrote a note that says "I am sorry bro, if you are reading this you would find out that I just committed suicide. I did wrong to you, I am sorry and hope you would forgive. I would really know but I hope you are better now. Henry lost his best friends, school, and 1 year of his life in a hospital. He was having suicidal thoughts and writes a note if he does want to do it. He goes to the

school and takes a knife and a gun with him. He says my life is just horrible, I hope you guys who bullied me feel you did wrong, you made me broken and now I am going to commit suicide. He takes a gun and shoots his head but someone put his hand there. It was Chris. I am here to protect you, I am not alive but in your heart I am. Don't do what I did. There are more things you will learn about the world. Enjoy it while it last. I made a mistake to do it, but you have a chance so don't do it. He then doesn't do it and goes home, running fast. He loves his life until his whole family died of a bombing incident. He now just takes his knife again and kills himself. He lies there bleeding and still. Police finds out and it went all over the news. A kid has just now committed suicide, being bullied and trauma. Now the world is peaceful and it is like heaven. No more fighting and crimes. The world loves each other and now is peaceful. That day will remain sad to all. Every year on that day, people come out and show respect to them, the bully and Henry, of course the bully was his friend but was just joking around until it got to far.
