# Youth Violence

Violence should be silenced  
Hurting other people, it is truly evil  
Some people don't care just, because they're not there  
The cruel and sad times always seem to rhyme  
I have witnessed the violence and never forgot since  
It was very little but I still felt brittle  
It is not care but it is unfair  
They don't do it on purpose except they think its worth it  
They might have problems at home its maybe a battlefield just like wars  
in Rome  
And maybe they got bullied before they wouldn't wanna ask for more  
So they get depressed and violence is how they express  
Though thats not helping at all, he or she will start a brawl  
To help stop this madness, lets start cheering up the sadness  
Try to help the victim  
Dont try to trick them  
Make them walk away without anything to say  
You can also try to calm the bully  
Be as convenient as a Pulley  
Say why you like this way  
They won't be mad or sad  
Now we can stop this violence  
Until its silenced  
One by one till the day is done
