Youth Violence

Violence is bad
It makes me really sad.
Youth Violence can start
when someone gets mad.

Youth violence can start
when someone gets a gun.
They can make a mistake
and end up shooting someone.

I want to stop youth violence
and make it extinct.
I will do whatever I can to make that happen.
I will set up clubs or organizations
and make sure we fix this situation.

It is everyone's responsibility
to fix youth violence.
It could help future generations
and make a better nation.
