Violence

Youth violence is the subject i'm talking about today
it seems our young has totally gone astray
why won't violence stop
next thing you know you're getting arrested by a cop

Will it take wings and fly away
or is this our future and is it here to stay
soon no child will be able to grow
protecting themselves is all they will know
it isn't just an action it's a deadly state of mind
in the end it can harm you, cause you pain and make you blind

Once your blind, from your sight, all the positives are blocked
negativity erupts and it can no longer be stopped
it starts with one child, one family and one school
violence can die, if we use all of our tools
