Bullying is bad poem

The kids you bullied have something to say
go suck an egg!

They don't care what you say anymore
you're not funny.

The kid you called fat
know he laughs at your puny body.

The kid you laughed at for being short
he now thinks you're a tall freak.

The kid you said is not liked
now has more friends than you.

And the kid you picked on for doing something different
well maybe he is better than you because he can do that.

If you haven't noticed yet
and I kept the big words to minimal for you.

If you bully it will backfire on you
so step off fool!
