~~Murdered~~

The Write Thing

Poem

## HOPE

The dank and cold air  
left the town in despair.

No one knew such a thing could happen,  
no where in their minds could imagine  
that the towns mayor would be murdered.

He lay in the white snow  
in a pool of blood from head to toe.

He was someones father, brother, son and husband  
The people were now frail all because he had  
been gunned.

Weeks after his murder the town, the only thing  
they had left; Hope.

Hope that one day they would be able to be  
strong.

And given the strength to move along.
