Violence Hurts

As I was passing out homework
My friend started to rash on each other
they ended up on my friend
called her teeth the ugliest teeth ever

She started crying
Her eyes turn pink
her face goes red
and her confidence has gone way down

Violence digs holes in my head
It makes people feel depressed all day long
Their hearts burn real bad
And sometimes they can never forget it.

The tears dripping from their eyes
Blood trying to run off
Hearing the gun roared " baaam"
And saying bye to the world

Every seconds, minutes, and hours
Why?
Are you jealous? Trying to get revenge?
How sad to go around to make people hurt

Making good decision best fits
Staying away from danger, making good friends,
Joining clubs or writing about violence
Can escape danger easily
