Do The Right Thing About Violence Poem

Do the right thing about violence

Even when you're sure you don't even want to try it

Do the right thing about violence

Because violence has a huge effect on youth

And youth also cause violence every day

Violence isn't always about weapons or fights

But sometimes it's about mental violence

Or something that happened because of some type of violence

So know there is more to violence than fighting

How has youth violence affected my life

It makes me want to try and stop it

It even sometimes makes me want revenge

And it always makes me feel uncomfortable

Anything can cause youth violence

Even little things like losing a game or jokes taken seriously can cause youth violence

But big things can too like bullying, money, and revenge

Sometimes issues like these can cause suicide

What can I do about youth violence

I can avoid it

B 613 003

I can come up with ways to stop it

I can even report it

No youth ever want to do something about this issue because they're afraid they will be left out

Not talked to

And become the kid that ruined all the fun

And become dust in the wind

These are the issues of youth violence

Kids are afraid to do something about youth violence

To make a change

But that's why I've wrote this poem

To tell all the kids that are afraid that's it's o.k to be afraid

But you've still got to do something about this worldwide issue before there are no more youth to create

this worldwide issue of youth violence
