Violence has affected my life and many others. It's hard to get a phone call hearing someone in your family has died or just got shot. It's hard to hear on the news that young teenagers killing others. No one has the right to take someone's life. It's devastating that you have to worry about this gun violence. It shouldn't matter where you live; no one should be scared to walk their own neighborhood. Gang bangers shouldn't think they own a block or represent anything. It doesn't matter what kind of music you listen to, what color shirt you have on, what shoes you are wearing. Violence is a problem, it is not the solution. Everyone has the right to their own freedom.
