Do The Write Thing

Life can be sad,
that could hurt your family bad.
Shootings & threats are serious,
just like rumors that are really delirious.

It can affect everything about you,
losing a family member, or a relative.
A sign of bullying, or two,
with threats & trouble that are always negative.

Causes of violence,
are hard to find,
but sometimes it could be near you, with no alliance
like rumors & a bad environment losing your mind.

Instead of threats & things that are violent
be happy & friendly.
We could help unless you are silent,
then that is trouble & could be deadly.

Is there a solution?
Of course there is one!!
Like donating to the needy, without a relation.
And stop domestic abuse until there is none.
