Violence Poem

How has violence affected
my life lucky for me not really
I have not goting affected by
it but I know how it is.

See violence is not a Joke
violence is just not cool
violence is the worst thing
you want to do with your life.

There is nothing we can really do
to stop the violence just what
we can do is just hope the
world can have a change of heart
the violence will stop even
animals can be affected by violence.

The violence in are age is
Bad kids with guns in gangs and
only 13,14 Just stop and violence is a
thing you and me hate violence just
not cool.

Violence Program

How much violence affects
us? We're lucky for we don't
have not doing a thing
but I know how it is

Violence is not a joke
it's just not a cool
thing to do with your life

It's not something we can learn to
stop the violence just because
we can do it just hope the
world can have a chance of just
the violence will stop even
animals can be affected by violence

The violence in our age is
not kind with jobs in danger and
not just and violence is a
thing you and we note violence just
not cool
