Violence Poem

How has violence affected
my life lucky for me not really
I have not goting affected by
it but I know how it is.

See violence is not a Joke
violence is just not cool
violence is the worst thing
you want to do with your life.

There is nothing we can really do
to stop the violence just what
we can do is just hope the
world can have a change of heart
the violence will stop even
animals can be affected by violence.

The violence in are age is
Bad kids with guns in gangs and
only 13,14 Just stop and violence is a
thing you and me hate violence just
not cool.

Violence Program

How does violence affect us?
It's not just about the act itself, but the fear that it creates. I know how it is.

Violence is not a force
It's a state of mind. It's the way we think
and the way we act. It's the way we live.

It's not just about the act itself, but the fear that it creates. I know how it is.

The violence in our lives is
not just about the act itself, but the fear that it creates. I know how it is.
