In a galaxy not too far away..... well you get the point.

Let me start over. In a world where violence have ruled it

and ruled things. "I can do better than that". Once....aw it's

not worth it. You know what, I will just say that violence

is powerful, but you can stop it by speaking up. In my

act of finding the right Intro I have created these three

problem solvers. Their names are Billy, Cartmen, and Benny.

Benny: (just waking up) hey Billy, what's on the agenda for today's problems?

Billy: (The commander and chief) There is a problem at a high school. looks like bullying.

Cartmen: (walking out of kitchen) Okay, now Benny do you remember when we got bullied.

Benny: Yes, why?

Benny: yes, why?

Cartmen : Well those two kids who are getting bullied remind's me of us.

Benny : Yea, your right.

Billy : Alright, come on guys, lets load up.

Narrator : So they flew down to the school and helped out those two kids.

Billy, Benny, cartmen : (all together) okay, we are here to help and back (clap) you up.

Benny : hey bullies, come and pick on somebody else.

Cartmen : Um, benny?

Benny : come on guys, lets give it all we got.

Cartmen : uh, bennyyy!

Benny : (screaming) WHAT!

Cartmen : we don't fight, we problem solve.

Benny : wait what?

Narrator : so the problem solvers get beat up, with Benny trying to save the day but failed.

Narrator : After everything went down the problem solvers went home to the next problem.

Billy : (Angry) Benny what was that?

Cartman : (Angry) Yea Benny what went on down there?

Benny : I was just trying to help out, but instead I failed big time.

Billy : lets just find out the next problem.

Billy : ok so theres a problem down town, looks like somebody is getting mugged.

Billy : problem solvers away!

Narrator : They flew down to help out that guy, getting mugged.

Narrator: what is that Ariana Grande, oh I have to get a picture.

went, but I have to come in late on well, Ariana's picture

must wait.

Billy: Hey! leave him alone

Cartmen: Yea!

Benny: hey, guys I called the police.

Billy: what?

Benny: Yea, cause that's the right thing to do.

Billy: (Genius) Benny, it's gonna.....

Narrator: that wraps up our problem solving. These problem solvers were useless, because they never even solved the problem.

Narrator: In conclusion when you see something happening or violence call

for help. Don't try and solve it yourself.
