Violence is bad.

It has affected everybody including me.

The youth violence around the world has made me feel mad, sad, and angry.

Youth violence has been caused by many things.

School, drugs, parents, and bullies have caused many youth violence.

Broken families, greed, jealousy.

They have all caused youth violence around the world.

But there are ways we can stop it.

Parents can keep a closer eye on their children.

The parents should also be more responsible.

Another reason youth violence is here is because of bullying.

I am not confronted by youth violence but it makes me angry and depressed.

Angry to see what we have become.

Words cannot describe my anger for youth violence.

One way I will try to stop youth violence is to defend the weak from bullies.

Another reason youth violence is here is the violent music we have.

Youth violence is here but we will stop it one day.

I promise that.
