Sad

Sad..

You know what is sad?

Turning to a news channel and hearing some sort of violence occurred.

Leaving your house and being scared matter of fact being scared in your own home.

Sad

You know what is sad?

Listening to music and hearing the song writer promote violence.

Standing in a store and thinking a gunman is going to come in and put your lives in jeopardy.

Sad..huh

You know what else is sad?

Knowing that we can make a change but never
acknowledge the ways to do so.

Did you know Mahatma Ghandi, Martin Luther King,
John F. Kennedy, Malcom X, and Robert F. Kennedy
were killed by the same weapon which is a gun. As
Ghandi said “ Be the change we wish to see in the
world”. Then that means if we witness violence or
suffer from violence then be the change and stop it.
